STAT MEMORANDUM FOR: EO/ICS [REDACTED]

SUBJECT : Watergate - File Review of USIB/IHC

1. I have checked with the CIA employees on IHC and have a written notation from each that neither their personal files nor the IHC files contain any materials such as described in the Inspector General's memorandum of 26 March 1974 with attachment. These CIA employees also state that they have no personal knowledge or connection with any of these matters.

2. CIA employees making these certifications are as follows:
